Outline

- A Day in the Life of a Funder
- Project Design and Development
- Reporting
- Questions

A Day in the Life of a Funder

- Busy/Demanding
- Make their day smooth
- Role of funder

- Do not underestimate funders
- Relationship is key

Project Design and Development

- Idea generation, eligibility, and when to start
- Draft budget process and eligibility
- Timeline + administrative start
- The 1 pager vs. out of the blue
- Final budget, proposal, complete application
- Waivers

Project Design and Dev Extra Tips

- Design around weakest funders
- Budget amendments
- Multiple or single funders
- Aggregate budget categories
- Contingency/cushion
- Contribution requirements
- Policies, interpretations, and relationships
- Financing and schedule of payments
- Ask and thou shall receive!

Reporting

- Minimum vs. maximum
- Deliverables
- Back 1 page
- Whose job
